UA's students are motivated to finish faster

By Pat Jacobson

As a result of a

major effort

to improve

the quality

of the

education

at the University

of Alaska, the

school

is now a

member of the

Association to

Advance Collegiate

Institutional

Quality

and is one of

the 15 schools

in the United

States that

are members

of the Association

of

Colleges and

Universities

in the United

States and

Canada. The

Association

was founded

in 1989 and

has since

grown to

include

more than 100
