

University of Alaska Fairbanks

MEMORANDUM

TO: Dean and I

ors

FROM: Mark Neumayr
Administrative Services

Chance for *M. Neumayr*

DATE: August 1, 2004

SUBJECT: Requirement for Land Use Permits

Use Permits

As of 8/1/04, requests for Land Use Permits (LUP) are made to and processed by the Statewide Office of Land Management. For some time now, requests for LUPs which pose potential liability to the State are processed by the Statewide Office of Land Management.

and issuance of Land Use Permits (LUP) are made to and processed by the Statewide Office of Land Management. For some time now, requests for LUPs which pose potential liability to the State are processed by the Statewide Office of Land Management.

It is the policy of the State to ensure that all requests for LUPs are processed in a timely and efficient manner. The Statewide Office of Land Management is currently reviewing requests for LUPs to ensure that they are processed in a timely and efficient manner.

The appropriate Dean/Director is aware of a request being submitted for LUP. The LUP must have the approval of the appropriate Dean/Director. This approval shall include language regarding the intended use of the permit, and the unit/department is accepting full financial liability for the permit.

Your cooperation in this matter is appreciated. Should you have any questions or concerns, please contact me at 407-476-1400.
